

Legal Aid Lawyers Milton Ontario

Legal Aid Lawyers Milton Ontario - Our Financial Services Group helps clients in problems related to insolvency, finance and restructuring. Our group members' experience in the financial services trade equips them with the skills and insights to assess the requirements of our financial services clients. We have a deep understanding of the documents and structure relating to transactions, and we have numerous years of skill working in the different businesses and regulatory environment in which our clients operate. We combine technical expertise along with the applicable trade knowledge in industry teams and practice groups to assist each and every client's specific requirements.

Our Banking Team advises and acts for big finance organizations including banks, non-bank lenders as well as other companies. We have knowledge in syndications and participations, asset-based lending and secured transactions, as well as different kinds of commercial finance, consisting of subordinated debt, mezzanine, private equity and film financings in the United States and Canada. We are mostly known for our work with secured and alternative financing. We have developed superb relationships in the lending community, that allows us to be able to help corporate clients to secure financing from the most appropriate lender.

The various kinds of financing transactions we implement for our clients comprises project financings, multi-currency loans, syndicated and cross-border loans, letter of credit facilities, acquisition facilities, asset based lending, venture capital financings and real estate financings. Our professionals will document and structure bulk lease financing facilities pursuant to which lenders finance portfolios of equipment leases. We likewise develop the off-balance sheet financing of energy retrofits of private and public buildings. Our assistance comprise documenting and structuring on- and off- balance sheet financings comprising conditional sale agreements, sales of receivables, non-rated asset securitizations, leveraged buyouts and equipment leases. We advise clients concerning the lenders' standard form documentation and lending procedures and policies.

Working closely along with our Tax team, we act on behalf of financial institutions in their domestic and offshore investment activities and provide suggestion about innovative risk management techniques involving financial derivatives.

Our experienced litigators even give assistance within the many fields of insolvency law to a host of financial institutions, trade creditors, debtors, debtor-in-possession lenders, liquidators, receivers and trustees. We assist with proposals, reorganizations, receiverships, restructurings, bankruptcies, workouts, liquidations and enforcements.

Our litigators develop methods to be able to enhance recoveries or minimize the effect of insolvency upon the interests of stakeholders.

We assist senior and subordinated borrowers, investors and lenders with the implementation and structuring of debt workout arrangements. By offering innovative transactional advice, especially with respect to out-of-court restructurings and the sale and purchase of insolvent businesses, we are an effective addition to management groups.
