

Milton Ontario Law Firms

Milton Ontario Law Firms - Our team of administrative lawyer's works on a variety of problems related to tribunals and regulatory agencies for our clients who include: businesses, individuals, not-for-profit organizations, and governments. Our lawyers act for clients before commissions and tribunals concerning matters associated to privacy and information, gaming and liquor, water quality safety, insurance and human rights.

Our lawyers have expertise dealing with boards of inquiry and various administrative tribunals established for workplace safety and health and environmental law. We provide initial due diligence and structure compliance-based transaction strategies. We have many years of knowledge acting for clients before administrative law decision-makers. Our lawyers also bring to the table valuable adjudicative experience via serving as mediators and arbitrators.
