

## Best Criminal Lawyer in Milton Ontario

Best Criminal Lawyer in Milton Ontario - Our Mergers and Acquisitions Group includes multi-disciplinary and multi-jurisdictional lawyers offering expert advice concerning all kinds of M&A transactions, from beginning to post-closing integration. Our lawyers have the practical experience and knowledge needed to handle the complicated area of mergers and acquisitions from our offices all over the country. Our experts have understanding of essential industry sectors - Automotive, E-commerce, Oil and Gas, Clean Tech, Mining, Manufacturing, Telecommunications, Technology, Financial and banking Services, Transportation, Real Estate, Hospitality and Insurance - as well as expertise in domestic and global M&A transactions. Our M&A members maintain strong relationships along with regulators and have in-depth knowledge of the regulatory and legislative realm.

Our M&A clients consist of a diverse range of major international and domestic corporations as well as emerging companies, entrepreneurs, controlling shareholders, financial institutions, governmental entities, privately held companies, public companies, private equity firms, special committees and board of directors, and management buy-out groups.

To begin whichever work, our M&A group begins with gaining knowledge of our client's business needs and goals. Before any restructuring, structuring, negotiating, and completing the transaction, we have to expertly allocate and identify whatever risks. Our strategic and focused approach applies to deals of any size and difficulty. We deal with each situation with commitment to excellence. Our goal is to successfully devise innovative deals and taxation structures that will meet and exceed client expectations.

Specialized knowledge of the varied and complex legal and regulatory environment around M&A transactions is vital to the success of whatever endeavour. That is why our M&A Group works closely along with our company's experts in foreign investment, tax, competition/antitrust, pensions and benefits, financing, employment and labour, intellectual property, real estate, environmental, international trade and customs, business immigration and government relations. If needed, we provide extensive insolvency and restructuring skills so as to resolve challenges faced by distressed targets. If hostile situations connected to securities litigation matters or regulatory hearings arise, clients could depend on our company's skilled litigation team.

We conduct privately negotiated purchases of shares or assets, public company mergers and acquisitions completed by way of take-over bids, and amalgamations and plans of arrangement. Our clientele benefit from the strategic and comprehensive recommendation provided by our Private M&A and Public M&A lawyers, from the initial stages of a transaction throughout to post-closing issues. Our aim is to be able to provide solutions-driven transactional services in an innovative and cost-effective manner to be able to reach your business goals.
